

Welcome to the Carney Round Up Rodeo and Rodeo Pageant! I'm Sue Asplund from just up the road in Daggett Michigan. I am a life long horse owner and horse show competitor and even spent a few years judging horse shows as a certified judge. I have been a pageant judge for several years and am always excited and hopeful for each and every girl. They work hard throughout the year improving and perfecting their interview, public speaking and horsemanship skills. What a fun way to gain such important life skills! Being a rodeo queen, princess or lil miss isn't all about sparkles and a fast horse. So when you see these young ladies wish them well. I know they will appreciate it.
